Return to School Form

Dear Parents/Guardians,

I hope you are keeping safe and well.

In accordance with HSE guidelines, we have been advised that the Return to School Declaration form that you completed prior to returning after the lockdown, has to be filled after every absence. This online declaration will now be coupled with your normal explanation note for teachers, which means you will no longer need to send a message via dojo or the school journal. It will all be done through the online form. This is not optional and failure to complete this will result in contact from the school. Each class will have its own unique link and will be texted to you, posted on the school website and on Class Dojo. We would appreciate your cooperation on this matter. The links are as follows and will be operational from today.
