

Board of Management meeting 20/10/21

Agreed report

- Staff were thanked for supporting the work of the Parish in relation to the carrying out the Sacraments during the Summer. Parish secretary Linda was thanked for her excellent work in organising the days.
- Reflecting on recent years, the Diocesan Office will be consulting with parishes around the diocese on how best to hold ceremonies in the future.
- The Board thanked all involved for the positive manner in which we received the Minister for Education at such short notice. Great credit went to how well the boys performed and spoke with the Minister.
- The Board wished the school well in their creative schools' music project it is undertaking with the other schools of the parish.
- The Anti-bullying policy was reviewed. It was agreed that an outside consultant would be employed to work with the pupils and parents on the topic of cyber bullying.
- The Board has agreed to open two ASD special classes in the school once funding for permanent accommodation is approved by the Department of Education. We are waiting the Department's decision on this matter in the coming months.
