RE.: Stay Safe

Dear Parents/Guardians,

The Department of Education and Skills Child Protection procedures means that it is now mandatory for all schools to implement the Stay Safe Programme as part of the Social, Personal and Health Education Curriculum (S.P.H.E.). This programme for primary schools plays a valuable role in helping children develop the skills necessary to enable them to deal with frightening and unsafe situations.

The Stay Safe Programme will be implemented across all classrooms this year as the programme was not fully completed last year with the early school closure. **It is highly recommended that you read the Parent's Guide booklet which is available on the Stay Safe website** http://staysafe.ie/parent_guide.htm**. This is published in 8 different languages on the website.** Stay Safe lessons will commence in the school shortly.

Should you require any further information about the programme, please visit the website www.staysafe.ie.

Yours sincerely,

_____

Anthony Liddane, Príomhoide
